

Hastings Prince Edward Counties Local Data

When teaching topics like sexually transmitted infections and teen pregnancy, local data helps to put the material into perspective of what is happening for people here. The following documents provide local data which can be used in health and math classes.

- [Communicable Disease Fast Facts – Reportable Diseases in Hastings Prince Edward Counties, January 2016](#) – This fact sheet provides local sexually transmitted infection statistics.
- [Teen Pregnancy Report, Hastings Prince Edward Counties, March 2017](#) – See what has been happening between the years 2005-2014 as it pertains to teen pregnancies.
- [Public Health Ontario Snapshots](#) – Would you like to compare our local data on reportable sexually transmitted infections and teen pregnancy to other areas of Ontario, this tool allows you to do just that.

We are committed to providing accessible publications, programs and services to all. For assistance please call 613-966-5500; TTY: 711 or email accessibility@hpeph.ca. For more information, please visit www.hpepublichealth.ca.
