

We insert IUS/IUDs in Belleville and Bancroft for people under 25 years of age and those without a physician

- Two visits are needed
  - one for an assessment and prescription
  - and a second when the IUS/IUD is inserted
- You will fill the prescription at your pharmacy
- Many drug plans cover the cost of an IUS

Public Health is committed to providing accessible programs and services to all. To request this, or any other publication in an alternative format, please contact 613-966-5500 or by email at [accessibility@hpeph.ca](mailto:accessibility@hpeph.ca)
