

SAFE PLACES TO WALK & BIKE MATTER FOR HEALTH

People walking and biking often don't feel safe because they are beside the fast moving cars and traffic. Roads that are designed for all users, pedestrians, cyclists and motorists alike, are safer for everyone.

I was hit by a truck mirror and my life has changed forever. Something needs to be done!

Karen, Quinte West

This city is capable of being a leader in this kind of development.

John, Belleville

I would love to see more dedicated bike lanes on major roads and the fostering of mutual consideration between drivers and cyclists.

Jane, Prince Edward County

Having retired to a northern rural area, I had hoped there would be more support for biking and walking.

Trudy, Hastings Highlands

86% of residents support making streets safe for all road users, including pedestrians, cyclists and motorists.
