## ARE YOUR CHILD'S ROUTINE IMMUNIZATIONS UP TO DATE?

All students must be immunized against certain diseases, unless they have a valid exemption. Prepare for next school year\* by updating your child's immunizations now!

- Book an appointment with your health care provider or at a public health clinic to get your child up to date. Book an appointment at a public health clinic at <a href="https://www.health.ca/clinic/immunization-clinic">health clinic to get your child up to date. Book an appointment at a public health clinic at <a href="https://www.health.ca/clinic/immunization-clinic">health clinic to get your child up to date.
